

Sussex County Small-Bore Rifle Association

Selection Criteria for County Teams

The County selects teams in the following categories:

Prone Rifle	Prone Rifle Reserves
Prone Rifle Ladies	Prone Ladies Reserves
Prone Rifle Juniors	Prone Juniors Reserves
3P Rifle	Lightweight Sport Rifle
Air Pistol	20yd Cartridge/.177 Air Pistol
Air Rifle	

There are various competitions that the County enters within each of these categories.

The County appoints Captains for each of these categories and it is the sole responsibility of those Captains to select the teams. Team members must be Sussex residents. If a shooter has two residences, they may elect which county they wish to represent - e.g. students away from home on full time educational courses.

Captains rely on past scores and experience to aid their selections and their main source of those scores are previous Inter County competitions together with results in the Sussex County competitions. Additionally, they rely on information received from club officials and individuals where these competitions have not been entered.

If individuals or clubs have members who they believe should be in County teams they should contact the County (via secretary@sussex-county.co.uk) with details of the shooter (full name, date of birth if under 21 and address), together with their current shooting experience and average so that the appropriate Captain can consider them for inclusion within the appropriate County team.
